

DEDERANG PRIMARY SCHOOL

"Where each child is challenged to be curious, creative and caring."

eLearning Protocol Agreement

- At Dederang Primary School I will always know my learning intention when using the computer or iPad.
- I will learn and use good digital etiquette practice - not abusing the privilege to use eLearning tools or Cyberbully others.
- I know computer, netbook and iPad configurations are not to be altered; including changing backgrounds, shifting icons or accessing another students' digital files.
- I understand that USBs from home should not be used on the computers unless directly supervised by the teacher who knows the risks.
- I know netbooks are used on a table and iPads in appropriate places.
- Netbooks and iPads are not to be used near food or drink.
- I understand that inappropriate use of the school eLearning tools will have consequences enforced. Consequences will include losing the privilege to use eLearning tools for a length of time in line with DPS and DET policy.

To support best practice teachers will:

- Supervise all Computers, Netbooks and iPads when in use.
- Ensure Netbooks and iPads are charged safely and stored appropriately.
- Set appropriate Internet sites or search engines such as Primary FUSE for research tasks.

My eLearning Agreement: I have read and understand the school eLearning Protocol Agreement, and I agree to follow these rules at all times or lose the privilege to use them at school.
